

M.B. AMSTER & ASSOCIATES

SOLUTIONS FOR THE ENVIRONMENT, HEALTH, AND SAFETY

Michael B. Amster, President and Principal Consultant

Mike Amster has more than 30 years experience as a manager and individual contributor in insurance loss control, consulting, and industry at both corporate staff and plant levels. Mike's experience has spanned sales and marketing of EH&S consulting services, information systems, computer and web-based interactive training applications. He has been a major contributor in strategic, tactical, and operational roles. This experience has included supporting the needs of companies with less than 100 employees to members of the Fortune 500. He has managed award winning programs that have achieved demonstrated significant injury and cost reductions.
